

Armstrong's Amazing Courage Song

Step Out with Courage

Tune: Twinkle, Twinkle, Little Star

Lyrics with motions:

Courage is a virtue true,
(Point to self, then make a “V” with fingers)

It helps us try what's good and new.
(March in place)

Doing right when it is hard,
(Make a strong pose with fists on hips)

Even when we feel alarmed.
(Hands on cheeks like “oh no!”)

Courage is a virtue true,
(Point to self, then make a “V” again)

It helps us try what's good and new.
(March in place)
