Cyber Sandwich Summary Review

Guiding Questions

- How did the acquisition of new territories impact the nation's growth and development?
- How did westward expansion impact Native American tribes, and what were the consequences of these interactions?

Objectives

- ☐ I can describe how U.S. expansion affected Native American communities.
- ☐ I can analyze primary sources to explain the consequences of westward expansion.

Directions: Locate each event on the Cyber Sandwich slide deck. There may be more than one; if so, choose one. Then use the summary written by your peers to complete the organizer for the event below. Look for the who, what, where, when, and why.
