

Graphic Organizer**Voices from Western Expansion
Document Analysis****Objectives**

- ☐ I can understand what drove Americans to want to settle further westward.
- ☐ I can understand the impacts that western expansion had on Native Americans.

Directions: Look closely at the photograph provided. Take your time to examine all the details. Use the See-Think-Wonder chart to record your observations and thoughts. There are reflection questions and sentence stems to help prompt your thinking. Write at least 3-4 entries for each column.

See	Think	Wonder
● What do you see? ● List the objects, people, and details that you can observe. ● Be specific and descriptive. ● <i>"The photograph shows..."</i> ● <i>"I can clearly see..."</i>	● What do you think about that? ● What conclusions can you draw from what you see? ● How might these details connect to what you know about western expansion? ● <i>"The photographer may have wanted to show..."</i> ● <i>"This makes me think about..."</i>	● What does it make you wonder? ● What would you like to learn more about?
