

Primary Source Set

Legacy of Reconstruction

Student Instructions:

- Read the End of Reconstruction essay.
- Highlight a line or two from the essay you feel fits best with each primary source.
- Summarize the highlighted line(s) on each of your sticky notes.
- Put your essay away, leaving your sticky notes out.
- From these seven sticky notes, combine to narrow down from seven to five “events” for your End of Reconstruction Timeline formative assessment, combining any commonalities.
- Then, on the formative assessment Timeline, write your five “events” that led to the end of Reconstruction.
